OUR MISSION

We are committed to excellence; delivering unparalleled customer service and innovative solutions for the unique insurance and risk management needs of our clients.

We pledge to our...

Clients

- We will deliver client service at a level exceeding expectations, which will differentiate Moran Insurance from our competitors.
- We will be 100% responsible to our client – listening to our client’s needs, demonstrating the necessary sense of urgency, taking ownership of our service level commitment and connecting to the right solutions.
- We will develop a solid business partnership through the relentless pursuit of innovative solutions.

Community

- We will be a recognized resource for leadership and service within our community and our industry.
- We will promote community service and afford our associates the opportunity to give time and effort to the charitable organizations of their choice.

Associates

- We will empower our associates with the tools, resources and decision-making authority to best serve our client needs.
- We will maintain an environment that encourages learning and intelligent risk-taking; an environment that challenges our associates to be proactive in problem solving and diligent in finding the right solutions.
- We will foster a team-oriented atmosphere where co-workers and clients are treated with dignity and respect at all times; diversity is embraced and collaboration is leveraged.
- We will consistently recognize and reward efforts of excellence, “above and beyond” performance.
- We will promote a self-defined balance of professional and personal life through our training and benefit programs.

BUILDING BRIDGES FOR LIFE

Marc Dorman and Matt Lehmann have grown Moran Insurance to its present size by attracting highly qualified insurance professionals and earning a prominent standing in the business community. Our team of experienced agents, associates and support staff are structured around several areas of expertise to ensure our clients receive the best possible insurance consultation and customer service.

Today, the company serves the needs of more than 4,000 individuals and businesses throughout Anne Arundel County, Metropolitan DC, Baltimore and the Eastern Shore and the Mid-Atlantic region. We serve a broad array of businesses, which vary significantly in terms of size and industry focus.

We also carry a full complement of personal insurance lines to effectively meet the needs of our individual clients.
